We Will Remember Them - Remembrance Week:

Remembrance week at Liberty Academy was filled with opportunities to remember, respect and pay tribute to those who gave their lives for our freedom. As part of our Academy community, Reverend Anne invited all houses and tutor groups to create poppies in Collective Worship to honour service personnel. We used these individual poppies to create our 'Remembrance Waterfall' which cascaded down into our theatre space.

Students' poppies were thought-provoking, heartfelt and touching, with some writing poems and others expressing their thanks for the soldiers who fought so bravely. Logan H wrote on his poppy "We shall always remember, lest we forget. My poppy for the fallen", whilst Hallie F wrote: "Thank you for your sacrifice that gives us our freedom today". In theatre Collective Worship, students read out their own war poetry, dedicated to those who lost their lives in war. It was a truly amazing moment to listen to these touching tributes.

As part of a history trip, a small group of year 9 students also joined Reverend Anne and Ms Hardisty to visit Alexandra Court care home to share in their memories of the war. Being able to listen to the stories of those who lived through such challenging times was a unique and very special opportunity, with residents sharing their own tales of losing loved ones.

Liberty Academy NEWSLETTER

Overall, Remembrance week here at the Academy has been very memorable this year and our waterfall remained in the chapel for several days as a lasting reminder that we must never forget.

'One Punch Hull':

This week we were privileged to welcome 'The Scott Akester Foundation: One Punch Hull' into the academy to deliver assemblies for students. Scott's parents, Debbie and Steve talked to students about the dangers of throwing just one punch and how one thoughtless act ended in the killing of their son.

Scott's story really hit home with our students and the questions students asked were thoughtful and intelligent. Steve and Debbie encouraged all students to 'Stop, Think, Walk Away' before they ruin their own lives and the lives of others.

Community Opportunity

As usual, we are busy collecting food donations for our community. Going forward, all of our donations will be passed on to St Philip's Church on Amethyst Road, who we continue to work closely with as part of our community engagement.

They will use our donations as part of their food banks and other community events that they offer, alongside St Hilda's Church on Elmbridge Parade.

For your information, they run a Food Bank every Friday morning all year round and their 2025 Christmas Programme is outlined below:

St Philip's, Amethyst Road:

- **Thursday 11th:** Warm Space - 10am-12pm
- **Friday 12th:** Food Community (Food Pantry available) and Toybank (pick up donated Christmas gifts) - 10am-12pm

The Parent Council

The Parent Council is a fantastic and very dedicated group of volunteers who work extremely hard all year round in collaboration with the school to provide a variety of opportunities for the whole community. These wonderful events would not be possible without them and they would be really grateful to anyone that can offer a small amount of their time to help out, if possible!

Therefore, if you are interested in joining the Parent Council then please see [this link](#) for more information - we would love for you to join us!

Attendance & Rewards

If your child is not attending school it is imperative that you alert the school in advance. The easiest way to do this is via email on: lib.attendance@hlt.academy

The Thrive Directory of Services has been developed by Hull City Council and partners to provide support for children, young people and families emotional health and well being. There is a link on the school website under the attendance section.

There is a direct link between attendance and outcomes at the end of school. The more you attend the better your outcomes will be.

In PSHE lessons this half term:

Students are enjoying their Citizenship strand - Year 7 are impressing teachers with their knowledge of all things Parliament and the Government as well as learning about the law and the justice system.

Year 8 are focussing on the police and their powers as well as the Youth Court and how the law deals with young offenders.

Year 9 has lessons on various topics ranging from spending and budgets to how money affects mental health.

Year 10 will be learning about democracy and what a democracy is as well as what a non democratic government or country looks like. They will be looking at the benefits of diversity within a country and how campaigning can improve community cohesion.

Year 11 will be learning revision techniques to help support them in their GCSEs as well as mindfulness and how mindfulness practice can improve anxiety around exams.

As always we have a massive focus on the Fundamental British Values:

British Values at Liberty Academy

-  **Democracy**
-  **Rule of law**
-  **Mutual respect and tolerance**
-  **Individual liberty**

Quality of Education

KS3 Assessments:

The KS3 Assessments will take place in January for most subjects across the academy. The students will be expected to revise for these at home using the range of revision strategies they have been taught and the links provided on the school website. Students can sign into their school accounts from the website links, these will take you to the revision pages for each subject area.

The 3 revision strategies we have focused on as an academy are:

- Revision clocks

- Flash cards
- Quizzing

Safeguarding

Safeguarding Support:

There is a 'Mental Health Drop-in' available every Tuesday lunch time in the Library. It is an informal opportunity for young people to chat and play some games. It is led by an Educational Mental Health Practitioner from the NHS.

Please share with your children that if they are getting on a bus and feel vulnerable or need help, they should just ask the driver for "ANGEL STREET". The driver will know that they need help and will then act accordingly.

Safeguarding Links:

Here are some useful links for parents/carers offering advice on how to add safety settings and block/report social media:

Giving Pupils Non-Prescription Medication:

There has been a change to our Trust policy on Supporting Pupils with Medical Conditions and Administering Medication Policy. The change relates to giving pupils non-prescription medication. Non-prescription medicines may only be administered in the following situations:

- When it would be harmful to the pupil's health or school attendance not to do so, and parental consent has been provided.
- When instructed by a medical professional, for example, if a pupil suffers a severe

allergic reaction, a 999 responder may instruct the use of an EpiPen.

- *Written authorisation will be sought from the parent/carer prior to any non-prescription medication being administered to a pupil for the first time.*

Reporting a Concern

If you have a concern about a student or anyone else in our school community please report it.

Mrs Drinkall is the Designated Safeguarding Lead. She is available by contacting the main school telephone number on 01482 781912 or via the following email address:

REPORT A CONCERN

How to report a safeguarding concern or allegation about staff or other professionals.

We want you to know that any allegation or concern that an employee or other professional has behaved in a way that has harmed, or may have harmed a child, or has potentially breached the guidance of safer working practice, will be taken seriously and dealt with sensitively and promptly, regardless of when or where the alleged incident took place.

The definition of 'staff' extends to volunteer, Governor, Trustee, supply staff, contractor or a third party organisation who deliver a service at the Trust or School.

Please also report this concern to Principal

Effective communications between home and school are of paramount importance to ensure that all students have the very best care and education possible. Therefore, in order to ensure these are as effective as possible, please can we politely remind parents/carers that they must phone reception to book meetings with staff. Please do not turn up hoping to be seen immediately because, as I am sure you will understand, this is not always possible.

Thank you for your cooperation and understanding with this matter.
