RE: Year 10 Mock Exams, June 2026

Dear Parent/Carer,

Please find enclosed a copy of your son/daughter's Mock Examination timetable, which commences on Tuesday 16 June 2026. These mocks are very important as they provide your son/daughter's class teachers with vital information about what they can and cannot do in each subject. Should students be absent from school for any reason, and miss a mock, they will need to catch up with these at a later date.

Students should familiarise themselves with the "Information for Candidates" documents available on the JCQ website;

www.jcq.org.uk/exams-office/information-for-candidates-documents/

These can also be found by scanning the QR Code to the right.

Mock Examinations will give your son/daughter the experience of what it will be like to sit an exam in examination conditions, as well as how to revise in preparation for an exam. It is very important your son/daughter is well prepared for these by doing plenty of revision. Students should be aiming to do at least an hour's revision each night, spread across 2 to 3 subjects.

To support home revision, the school will supply suitable resources on Monday, 8 June 2026, on our website, under <https://www.lib.hlt.academy/curriculum/supporting-learning-at-home>. Furthermore, from 16 June, we will be offering lesson 6 revision opportunities as below.

Week A

Monday	English
Tuesday	Maths
Wednesday	Humanities
Thursday	RE (Science second)
Friday	Option A and B (MFL second)

Week B

Monday	English
Tuesday	Maths
Wednesday	Science
Thursday	Humanities (RE Second)
Friday	Option C (MFL second)

Liberty Academy

Address: 1 Bilton Grove, Hull, HU9 5YB

Tel: 01482 781912

Email: hello@lib.hlt.academy
Website: lib.hlt.academy

Principal:
Louise Beasley

I would also like to make you aware that if students “give up” in these mock exams and do not make their best possible effort, we will be asking them to retake the exam in their own time. Revision is therefore important so that they can write throughout the whole exam. Only materials studied to date will be included in the exams; there will not be anything they have not seen before.

Finally, Colleges, 6th Forms and Apprenticeship providers ask students to provide the grades from mock exams on applications and often ask us for them, so revision for these is really important.

Please do not hesitate to contact me if you or your son/daughter needs any extra support preparing for these exams.

Yours sincerely,

Mrs K Hill
Vice Principal

Year 10 Mock Exam Timetable

June 2026

Tuesday, 16 June 2026

09:00	Maths, Paper 1	1 hour 30 minutes
13:15	Religious Studies, Component 1	1 hour
